

## **Navy League of Canada Bow Valley Branch**

Welcome to a new year!!

We would like to take this opportunity to welcome you to your respective Corps NLCC John A. Hamilton and RCSCC Calgary, and to introduce the Board of Directors.

Bow Valley Branch Executive is entirely comprised of volunteers. Most members have served on the board for 2 years or more, offering strong knowledge, drive and commitment to ensuring our children are provided with the best opportunities available.

Our meetings are held once a month on alternating Monday's and Thursday's in order to accommodate both Corps' nights which increases opportunities for parents/guardians to be able to attend. All meetings are open and we encourage you to attend as many as you can, as we are always looking to increase our board membership and parent/guardian involvement.

During our meetings we discuss the financials, approve fundraising options, and discuss upcoming events. Reviews of Treasurer, Bingo, Casino, Navy League and Sea Cadet monthly reports are also conducted. We also have open discussion regarding process, policies and procedures in which we are mandated to follow. We continually seek out suggestions for fundraising opportunities and volunteers to assist with all events.

We, as Branch members also partake in our Bingo requirements to support our cadets and look forward to spending that time together to better get to know each other.

Please find attached a list of Executive members, meeting and Bingo dates, feel free to contact the President Rebecca McGill at 403-828-1564 if you have any Branch related questions.

Thanks and Welcome Aboard!

Sincerely,

Bow Valley Branch Executive
