## Onward!

### Presidents Message

I would like to take this opportunity to welcome all new and returning cadets and officers to the 2009/2010 training year. I am looking forward to new and exciting fundraisers and events. We have already had an amazing start to this year with Calgary Cup Regatta, and the Masters at Spruce Meadows, I thank everyone that was involved with these two events. I welcome any and all suggestions for fundraisers or different events that we can be a part of.
